

APPROVED PLANS - REVISION C

Sheet Set	A1.0 - A6.2, S1.0 - S3.1
Revision	C (supersedes Rev B)
Approved	March 10, 2026
Note	Rev C moves the rear egress window per plan review comment 4.

This is the revision the framing crew should be building from. Older revisions are hidden from this page so nobody builds off the wrong set.

This is a SAMPLE document from the DryPlans demo job site. It is not a real permit, plan, or inspection record, and it is not issued by any authority.

On a real job site this would be the actual document you uploaded from your dashboard.
