Issued April 2, 2026
Project Smith Residence - New Build
Scope 200A service, rough-in and final
Contractor Vance Electric (Lic. 88301)

This is a SAMPLE document from the DryPlans demo job site. It is not a real permit, plan, or inspection record, and it is not issued by any authority.

On a real job site this would be the actual document you uploaded from your dashboard.
